September
2008

of Cabbagetown, Downtown East and Riverdale

The crucial cut

Daniel Claret of Daniel et Daniel, did the honors at the 2007 Cabbagetown Festival, while, to his right, Toronto Centre MPP George Smitherman and Old Cabbagetown Business Improvement Area Chair Paul Dineen cheered him on. A Cabbage will once again be dissected on Saturday, September 6, as the 2008 festival gets underway. As usual, the cabbage cutting ceremony will be preceded by Blair's Run at 8:30, and the grand parade at 10. For more festival program information, and a view back at festival color from previous years, see pages 5, 6 and 7
